

We are excited for the upcoming CUNYfirst Query Viewer Training. The training will include the following topics:

- Understanding what is a database
- The basics of CS Query also known as Peoplesoft Query
- Search methods and Query Navigations
- Running queries via Query Viewer
- Downloading queries to Excel
- Variations with browsers in downloading
- Helpful Tip/Reference
- Securing Data

Here's a glimpse of the sessions for the CUNYfirst Query Viewer Training 2024. Pick a session below to explore more about the CUNYfirst queries.
